

Bengal Newbery* Club

Become a member...

It's as easy as one, two, three...

1. Read books that have either won the Newbery Medal or received the Newbery Honor Award.
2. Take an AR test and pass with an 80% or higher. Log the title of the Newbery book on the Bengal Newbery Club Reading Log.
3. Be recognized for your hard work and success!

*The Newbery Medal is awarded each year to the author of the most distinguished contribution to children's literature. A committee formed by the American Library Association follows rules and guidelines to affirm quality literature other than those easy to love books that children typically choose. The medal is awarded to books for children up to and including age 14. Since our library serves children up to 5th grade, we have the books that are recommended for our age group. We don't have AR tests for all winning books. Students will need to check our AR database before beginning a book. Parents and students are welcome to contact Mrs. Hadley with any concerns or questions.

After reading and testing on 10 Newbery books, bring your reading log to the library and receive a Reading Silicone Bracelet.

After reading and testing on 20 Newbery books, bring your reading log to the library and receive a Read, Believe, Achieve Backpack Tag.

After reading and testing on 30 Newbery books, bring your reading log to the library and receive a Reading Achievement Medal! Your picture will be taken and posted in the hallway!

_____ (student's name) wants to participate in the Bengal Newbery Reading Club. Please send home a copy of the log so my child can begin reading.
